Customers Represent Different Roles

Who *matters* in an adoption decision?

Customer Stakeholder Map

Why use the tool

- Indicates typical “company type” or “consumer type”
- Identifies key stakeholders in adoption decision and typical job titles (B2B)
- Balance of influence can also be assessed – who appears to have the most say?
- For ingredient / component solutions, “customer of the customer” can be shown

ACTIVITY 1

ACTIVITY 1

15 minutes

2 minute presentations

*Why is your project
"dead" in 5 years?
Who was involved?*

WORKSHEET #1
